INTERNATIONAL BEHAVIOURAL
AND NEURAL GENETICS SOCIETY

The **International Behavioural and Neural Genetics Society (IBANGS)** was founded in 1996 and promotes research and learning in the field of neurobehavioural genetics. The annual IBANGS meeting provides an excellent opportunity for those involved in research in the fields of behavioural genetics and neurogenetics to present their latest findings, to learn about new research developments, participate in workshops, and to interact with fellow researchers on various aspects of behavioural genetics across humans and diverse model organisms.

ANNUAL MEETING

The **20th Annual IBANGS Meeting** will be held in **Rochester, Minnesota USA**
May 17-21, 2018

Meeting Information

Venue: Mayo Civic Center

Symposia information, registration, abstract submission and program details at:

<https://www.ibangs.org/2018-genes-brain-and-behavior-meeting>

Travel Awards

With the generous support of NIAAA/NIH USA, stipends in partial support of travel to the meeting are available for trainees and junior faculty members. Details: <https://www.ibangs.org/travel-awards>

Become an IBANGS member

IBANGS membership has many benefits: Reduced fees, Training, Networking, Mentoring

Check out the full list here: <https://www.ibangs.org/why-join-ibangs>

Membership rates

- **\$135** regular membership with online G2B access
- **\$45** student membership (undergraduate, graduate or postdoc) with online G2B access
